The concert will begin at 8 p. m. in the Jefferson Union high school auditorium. With both popular and classic selections on the program, the band has prepared an evening of real musical pleasure.

SAN MATEO COUNTY FIESTA ATTRACTS THOUSANDS TO SEE BEAUTIFUL FOUR-DAY SHOW

Nearly 30,000 persons were entranced with the beauty of San Mateo county's annual floral fiesta at Bay Meadows last week. Acclaimed the most successful fiesta in the history of the county, the four-day show closed in a blaze of glory Sunday evening.

A green and silver gigantic fairyland backdrop set off a $50,000 floral display unequalled in the State. Groupings of agricultural and home economics exhibits drew the acclaim of thousands. Top-flight entertainment features and famous name orchestras kept the show up to a thrilling pace for spectators from all over California.

The huge flower displays attracted tremendous crowds. There were massed displays of orchids and gardenias by the tens of thousands. Prizes totaling nearly $20,000 were awarded the various exhibitors, including many from Colma and Daly City, competing in the agricultural and home economics displays.

E. W. McLellan company, nationally famous Colma florist, took a total of 21 first prizes, mostly for exquisite gardenia displays. Prize winning McLellan delphinium, gladiolus, cyclamen and bouvardia were only a few of the lovely plants which vied with the McLellan gardenias to bring fame to the Colma area, long noted for its production of beautiful blooms.

Colma also won gold star honors in the vegetable divisions, with the Colma Vegetable associa-

Hurry, hurry, hurry! Last call for voters! Have you registered for the 1940 presidential election yet?

There's just barely time to get in under the line before the Great Register closes tomorrow night.

Registration may be made with the city clerk or with a deputy registrar in your neighborhood. Don't forget—tomorrow night is the deadline!

Moral: Concentrate On Your Own Driving

Frank Gloeggler, Millbrae motorist, became so interested in watching an automobile accident in Colma Sunday, that he forgot to watch where he was driving.

When his car smashed into the bulkhead near the Bank of America, Gloeggler had an accident of his own to worry about.

Rushed to a local hospital by the Daly City Ambulance, he was given six stitches in his head and admonished by Daly City police to be more careful the next time.

The other accident was a collision between an automobile driven by L. J. Hass, 2563 Twenty-sixth avenue, and a truck driven by John Grignola, Colma. No one was reported injured.

All Recreation committees in San Mateo county will meet for round-table discussions of their mutual problems, Monday evening at San Carlos.

Mayor Makes Report On League Convention

Mayor John J. Fahey told the city council on Monday evening that he wished he could "have been at six meetings at once" at the League of California Cities convention in San Diego last week.

The mayor and Mrs. Fahey returned home Sunday afternoon after a pltasant and instructive trip to the Southern part of the State.

Mayor Fahey was enthusiastic as he described some of the results of the State conference which drew hundreds of civic leaders together for round table discussions of current problems.

Many municipalities are having serious difficulties with their parking situations, Mayor Fahey

Council Plans To Break "Dead Ends"

Bismark and East Cavour streets in the Southern part of the city will no longer be "dead end" streets if present plans materialize.

Daly City council Monday evening authorized a $2000 purchase of property now blocking the way to cutting the two streets through from Mission street to Hillside boulevard. The land belongs to Luigi and Marghetta Mossini.

If it becomes city property, the proposed extension of Bismark and East Cavour will be done as part of the WPA South End streets improvement project.

The council adopted minimum specifications for a new fire truck and passed a resolution inviting sealed proposals. The bids will be opened at the next regular council meeting, October 13.

A request was read from Company No. 4, D. C. F. D., request-

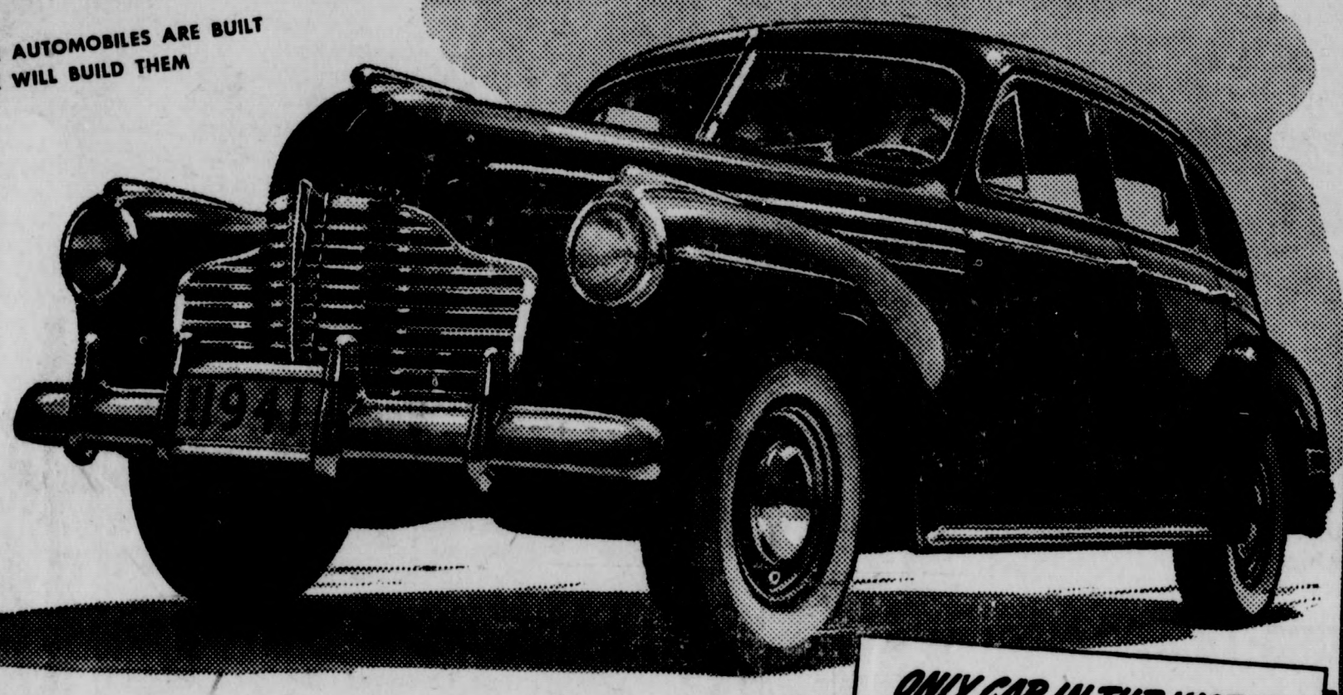
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM



YOU'LL like the *size* of this trim new Buick SPECIAL for '41—its room, its softer ride, its Permi-firm steering, its fresh smart style and all that.

But what you'll *go* for is what happens under that broad bonnet—the thrill *and the thrift* you get from that husky, big, 115-hp. Buick FIREBALL* Eight.

For in each flame-packed cylinder of that silk-smooth power plant a flaring *ball of fire* is set off with each spark-leap.

Packed to higher compression than ever before, fuel gives up *more power* and *more mileage* — power when you need it, economy throughout the whole driving range.

Indeed, so great is the power at your command that at 30 you use only one-eighth of the energy at your disposal. All the rest is there waiting for pick-up, hill-climb and sudden getaway.

Even at 50 you use less than one-quarter of your available power, and at 75 still have nearly half "on call" for emergency use.

More than that, to this engine you can likewise add Compound Carburetion—and step up both power output and your mileage. At 30 you'll get nearly one and one-half more miles per gallon, at 50 almost two, and at 70 an extra mile and one-fifth.

But that's just one side of the story —the *facts* side. Only one thing will give you the stirring feel of Buick's thrill-packed behavior on the road.

That's a demonstration — and it's yours for the asking. When will you be in to ask for it?

Parts Still Open In New Comedy

"If you've never been in a play, you don't know how much fun you're missing," Miss Marie Burton, WPA Recreation leader, said today. "Now is the time to start."

Miss Burton, who is director of the Daly City Dramatics club and the Daly City Radio Players, has a wide background of stage experience. Today she cordially invited all interested adults to join either one or both of these groups.

"We are at present hard at work on a new comedy, 'Why Wives Worry'," Miss Burton explained. "There are a number of parts still open, especially for male characters."

Miss Burton stressed the fact that no previous experience of any kind was required.

"Most of the players who join our group have had no training," she emphasized. "Our actors are mostly beginners, just learning how to apply the grease-paint and say their lines."

All home-talent is welcome. The dramatics group meets every Tuesday evening in the Little Theatre of Jefferson Union high school, from 7:30 to 10 p. m. The radio players meet the same hours on Thursday evening.

HOW QUICKLY CAN YOU STOP?

How quickly can you stop your car if you are travelling 50 miles an hour? You will be surprised to note how much distance it takes. Here are some figures from the National Safety council.

If you are an ordinary, fairly alert driver it will take you three-fourths of a second to get your feet on the brake pedal. By that time you will have gone 55 feet. Then, if your brakes are in tip-top shape, it will take you another 131 feet to stop your car. That is 186 feet from the time you first saw danger. And remember—if your brakes are not perfect you must add at least 50 feet. MAKE SURE YOU CAN STOP IN TIME!

El Carmelo Drum Corps Wins Second Prize

Bringing honor to themselves and to Daly City, the drum corps of El Carmelo Parlor No. 181, Native Daughters of the Golden West, captured second prize at the State Fair in Sacramento.

Appearing in the Admission Day contest were twenty members of the corps, dressed in smart costumes of white and green. Wearing white trousers with green stripes, white hats with green lettering and green satin blouses, the local team's appearance won much favorable comment. Their excellent performance stacked up well against that of teams from all over the State.

A large delegation from El Carmelo Parlor witnessed the planting of San Mateo county's tree in the "Pioneer Memorial Grove" at the State fairgrounds. Officiating at the ceremonies were Mrs. Martha Bernasque, supervising district deputy grand president of the Native Daughters, and Wayne Millington of Redwood City, grand officer of the Native Sons.

NATIONAL NEWSPAPER WEEK

The free press of the world, which means the press of America, will celebrate National Newspaper Week next month.

It will be a week set aside to honor the Nation's editors, the nation's reporters, the nation's printers.

Their importance today is no secret.

They supply us with the grist for the mills of the nation's thought and opinions. They are writing, and editing and printing history. The newspaper today is a governor for a world machinery that is screaming in high gear.

The pages of your newspaper do not fall independently into place, nor print themselves. They represent organization, judgment, hard work, certain and skilled knowledge of an exacting trade.

Getting out a newspaper on time, every edition, every day or week, is no picnic. And today, as never before, getting out a newspaper is vital.

That is why there is going to be a week set aside and dedicated to American newspapers and American newspapermen.

The newspaper is your friend. It is the watchdog of the public's interests. You welcome it into your home. It tells you stories that are exciting, educational, humorous, significant. It is your eyes and ears across the seas, on the other side of the continent and at home: It is the mouthpiece of commerce, telling alike of the housewife with a stove to sell and the corporation with bonds to sell.

The newspaper is a teller of tales that make you laugh, that make you indignant, that make you sympathetic, that make you cry. It is never dull. It is always accurate.

National Newspaper Week, October 1-8, is a time for you to show your appreciation of the world's free press —of a press that can only be free because it is printed in a free country.

The Record suggests that you personally observe Newspaper Week in two ways:

1. Get acquainted with your own hometown newspapers—The Daly City Record and Shopping News. The Record of October 2 will carry, in detail, the complicated story of how your newspaper works for you and for the community.

2. Visit the plant of a great metropolitan daily, in order to learn more about the foreign and national news coverage.

You have a standing invitation to visit the large plant of The San Francisco Chronicle, September 30 to October 6, to see, on tours conducted by trained guides, The San Francisco Chronicle in action. The tours will start every hour, on the hour, from noon until midnight at The Chronicle, Fifth and Mission streets.

It's your chance to see the metropolitan press with its sleeves rolled up. It's your chance to learn more about the nation's newspapers, the free press of the world.

What Do You Know About Recreation?

Members of Recreation committees and commissions throughout San Mateo county were puzzling their heads over an "Information Please" quiz sent them this week by the WPA County Recreation supervisor, Arthur Ryan.

Ryan pointed out that many committeemen are familiar with conditions in their own communities but do not understand important aspects of the county-wide Recreation set-up.

Listed below are the seven questions which set committees to thinking this week. Answers may be secured from the local Recreation department. How many can YOU answer?

1. Do you know what organization sponsored camping for underprivileged children in San Mateo county and how many children went camping this summer?

2. How many civic and service clubs are there in your community that sponsor seasonal recreation events for children.

3. Is your local unit director cooperating with your committee?

4. Which community has the most active recreation committee?

5. Do you know what the aims and objectives of the recreation program of the Work Projects administration are?

6. Where is the best of each of the following to be found in the county?—archery range, public picnic and barbecue area, boating facilities, children's playgrounds, social dancing, girls' club, horseshoe courts, pistol and rifle range, swimming pool,volleyball courts, putter shop, badminton courts, baseball field, basketball courts, bocci ball courts, croquet courts, dramatics, handball courts, paddle tennis courts, clay modeling, preschool classes, tennis courts, craft rooms.

7. How many special events, summer leagues, and tournaments did you visit during the summer program?

You Are Invited

Occasionally a report reaches The Record that some local resident feels slighted because she entertained at a party or had guests and the social item was left out of the paper.

The editors regret such a situation, yet it is impossible for them to contact 3600 Daly City and Colma homes every week —we do contact several hundred.

If you have a party, entertain guests, or participate in a local social affair, will you please write The Record a note about it, or better telephone RAndolph 3215. That would make the editors happy. To see your social event in a news story would make you happy, too.

Colma Resident Succumbs To Illness

Sad news went to far-off Italy this week. Louis Calcagno, Colma, succumbed at the Community hospital Friday after an illness of eighteen months.

In addition to his father, Phillip Calcagno, also of Colma, he is survived by his mother, two brothers and a sister, all of whom are in Italy.

Calcagno was buried in the Italian cemetery in Lawndale following a 9:30 a. m. mass at Holy Angels church. Funeral arrangements were in charge of W. C. Lasswell and company.

In addition to the sweepstakes prizes, Cresta won twelve other first prizes and took many second and third prizes. He was also given two special awards, one a trophy for the most meritorious exhibit with emphasis on number of entries in plant vegetables, and the other for the most meritorious exhibit in plant vegetables.

Angelo Rovere of Colma made an outstanding record with a sweepstakes in carrots and one in beets and turnips. He was awarded a total of seven first prizes and several second and third prizes. He also was awarded first place for the best arranged display of vegetables and seasoning plants, ten varieties.

P. Cafferata of Colma won a first award for the best arranged display vegetables and seasoning plants of 20 varieties or more, as well as four other first prizes in the vegetable divisions. Cafferata also took several second and third prizes.

In addition to the commercial exhibitors, many private Daly City and Colma growers won county-wide acclaim and official recognition for their flowers and vegetables.

Student Government

The regular meeting of the Executive board was called to order yesterday morning at 8 a. m. with President Bill Rigler presiding. The minutes were read and approved by the board. Under old business Rigler stated that the coupons for the dictionaries were to be given out at Tuesday's assembly.

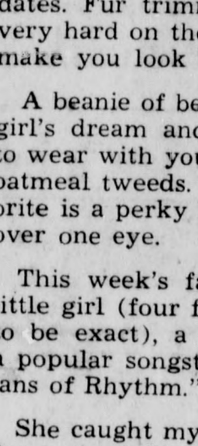
The planning of a studentbody card rally to be held tomorrow was discussed by the board. It was decided that all of the class presidents would have a chance to get up before the assembly and tell the advantages of a studentbody card.

It was suggested that larger buses be secured for the football players for transportation to games. This matter was referred to the Boys Athletic committee, as the executive board has no jurisdiction over the matter.

Classes

Congratulations are in order as the Block J Society selected John Razzari to head their group this semester. The other members that were elected, Wednesday, include Jack Faulk, vice-president; Herb Poddig, secretary-treasurer, and Roy Johnston, sergeant-at-arms.

John Razzari took over the meeting upon his election and started his term off with a bang. The boys already have several social affairs in the "fire." The president said everyone is expecting an active year. In addition to discussing social affairs, the boys decided to secure watch fobs with a gold block "J" mounted on a purple enamel background.



Campus Fashions

Well, girls, here I am again with this week's latest "Quips and Quirps."

I've been wondering how many of you girls just **hate** to wear hats? Well, I sympathized with you until—in my exploring—I found some **darling** hats. They would look simply stunning on you.

I thought that I might describe a few and see if I could change your minds about hats.

Fur is the word this season. Of course, not for school, but they're just right to impress that certain "Mr. Someone" on one of your dates. Fur trimmed hats are not very hard on the pocket book but make you look like a million.

A beanie of beaver is the young girl's dream and quite the thing to wear with your herringbone or oatmeal tweeds. Another hat favorite is a perky little halo cocked over one eye.

This week's fashion belle is a little girl (four feet eleven inches to be exact), a junior and quite a popular songstress in the "Indians of Rhythm."

She caught my eye as she came down the hall dressed in a cool, striking outfit of white and blue. Her skirt was of white sharkskin, quite flared. Topping off the outfit was a blouse with **real** chic. The blouse was made with elbow-length sleeves and trimmed in white lace. A perkey white bow was nestled in her ink black hair.

So this week we hand an extra big fashion bouquet to Miss Tillie Castro.

C. D. A. Group Enjoys Picnic

Although Sunday's picnic was the first picnic ever to be held by Court St. Mary No. 1155, Catholic Daughters of America, it will not be their last one, according to reports from the tired but happy crowd who returned to Daly City Sunday evening.

Nine cars filled with members of the court, their husbands and children crossed the Golden Gate bridge early Sunday morning and drove to Cloverdale. There they attended mass at St. Peter's church, where Father James Doyle is pastor. Father Doyle is a former pastor of Our Lady of Perpetual Help church.

After greeting his former parishioners, Father Doyle accompanied them to his home, where long tables in the garden were soon spread with good things to eat. Moving pictures were taken of the picnic to bring back pleasant memories in the future.

The crowd then went to the river, where the children enjoyed swimming and more movies were made. Generous servings of watermelon were enjoyed by everyone.

Coming back to Cloverdale, the picnickers were entertained with home movies of the Fair and of the Marin floods, before they returned home to Daly City. All expressed their hope that there would be many more happy picnics of this kind in the future.

ing an outlet to Junipero Serra boulevard along Hillcrest drive. The request was placed on file.

Still facing the problems of San Francisco residents dumping garbage in the vicinity of Vista Grande park, the council re-affirmed its intention of enforcing the "No Dumping" order. Chief of Police James G. Reardon was directed to investigate the possibility of assigning an additional man to patrol the territory.

Councilman Edmund Cavagnaro reported that during Mayor John J. Fahey's absence, he had represented Daly City in the Fiesta parade at the request of Fiesta officials. Cavagnaro explained that the city had received an invitation to enter cars in the parade, but that the invitation had been received too late to get a delegation together.

The State gasoline tax also came in for its share of the discussion. A committee was appointed to go to Sacramento in an effort to obtain for the cities a larger share of the proceeds for the maintenance of major streets.

Mayor Fahey also reported that a reduction of general insurance rates for municipalities is expected within the next six months.

Tax problems received a good deal of attention at the meeting, with various aspects of the matter thoroughly discussed.

Red Cross Moves To Aid British

Moving swiftly to aid the British people driven from their homes by intensification of enemy air raids, the American Red Cross today cabled offering additional cash contributions and relief supplies, ambulances and personnel. It also offered a half million garments for the homeless from its New York warehouses for immediate shipment.

Other relief supplies already delivered in England include 152 ambulances, 156,000 blankets, $150,000 worth of drugs, surgical and hospital supplies, and 4,500,000 surgical dressings.

"The garments produced by our chapter have already been shipped," says Miss Helen P. Cheseborough, vice-chairman of the local San Mateo county chapter, "but since our chapter accepted its present quota of surgical dressings, events in England have moved so rapidly that we have been asked to increase our output.

"In order to accomplish this quota with speed, we must have more volunteers at our work room in the Peninsula avenue school. The room is open every day from Mondays until Thursdays and the hours are from 9 a. m. to 4 p. m."

OLIVET TAKES CHAMPIONSHIP

Olivet Memorial Park today held the Burlingame softball championship.

The new champs picked up the crown in a hurry by taking two successive playoff games from E. H. Edwards company, winning the deciding tilt Friday night, 5-3, at Washington Park diamond.

King Shelsta, who hurled Olivet to second half championship and to victory in the first playoff game, gave up five hits Friday night. His mates collected three runs in the first frame and added two more in the fifth.

Olivet Wins Chance To Play For 1940 Pennant

The team that roosted in the cellar last year bounced 1939's softball champions out of the running for the 1940 Burlingame championship last Monday night in a rain-soaked but thrilling playoff for the second half title.

Olivet Memorial Park ten won their chance to play E. H. Edwards company Wednesday for the 1940 pennant.

The story of Monday night's game can be told in two words: King Shelsta.

He evidently had made some changes in his pitching delivery and was "hot" enough to hold G. & M. to four hits. He struck out 10 men.

And he won his own ball game.

In the last of the seventh inning, with the score tied, 3 to 3, one out and a man on base, Shelsta smashed a home run—which almost ruined two colliding Granger & Martin outfielders—to give Olivet a 5 to 3 victory.

Olivet took a lead in the first inning when Pete Pastorino bunted, Frank Bettencourt erred on the play; Lou Conti sacrificed on another bunt; Pastorino went to third on another Bettencourt error; Sam Lucia walked; Pfeifer singled, Harry Krohn singled, Al Banfield forced Pfeifer, but Lucia scored on the play.

The score:

Einar Hanson Takes 5-4 Victory

Einar Hanson, medalist in the San Mateo county golf championship play, came through the first round Sunday with a 5 and 4 victory over Bob Whittaker.

Match play will continue on successive Sundays until the finals. Hanson, stellar Daly City golfer who lives at 221 Hillcrest drive, is conceded an excellent chance of coming through as winner. In the qualifying trials, his 65 was the lowest qualifying score ever made in the county tournament.

Olivet Wins First Playoff

Olivet Memorial Park played airtight ball last Wednesday night when Pitcher King Shelsta weakened and slapped a 12 to 5 defeat on E. H. Edwards company in the first of a three-game series for the Burlingame Softball League's 1940 championship.

The playoff originally was scheduled for one game, but Edwards players asked it be extended and Olivet agreed to the change.

Olivet stepped into the lead in the first frame, when Pete Pastorino opened with a home run over Center Fielder Ken Barron's head. Then Lou Conti singled, Lucia walked and Norbert Pfeifer sacrificed Conti home.

Shelsta struck out 11 men, most of whom stood and watched the ball go by. In both first and second innings the last man up struck out with the bases loaded. Olivet likewise retired twice with the bases filled—once on a fielder's choice and once, in the seventh, on a fly to left field. In that frame Franzoia picked off three long hits for putouts.

Junior Game Patrol Has Workshop

Junior Game Patrol workshop at 4 Appleton avenue presents a busy scene these days, with some twenty members hard at work repairing and finishing rods, cleaning guns, tying trout flies and making new gun butts.

The organization, which formerly met at 5646 Mission street, now devotes each Wednesday evening to its workshop. The club is planning to hold "open house" in the near future, with exhibits of their work on display for the public to see.

Instructors and troop leaders include Louis Bianchini, Ed Moore, and Mike Kessel, a new rifle instructor. The Junior Game Patrol is sponsored by the San Francisco and Daly City Rod and Gun clubs. Members are young men, ranging in age from fourteen to twenty years, who are interested in fishing, hunting and conservation.

A source of particular pride to the club is its new mascot, "Duke" or as he is affectionately known by the boys, "Biscuit Eater II." A beautiful brown and white English pointer, he has visited some fifteen different clubs in the Bay area, obligingly going through all the paces of a hunting dog for demonstration in the clubrooms.

"Duke" has his possessions, too. His blanket was given him by two sponsoring clubs, and is blue and gold on one side for the Daly City Rod and Gun club, and blue and white on the other, the colors of the San Francisco group. John Flege, charter member of the Daly City Rod and Gun club, presented the dog with a beautiful silver strutted collar recently.

Heavy Piedmont Team Beats Jeff

Piedmont high school's football team, Alameda County League favorite, gave the invading Jefferson Indians a tough trouncing, Friday. Score stood 50 to 6.

It was easy for the veteran Piedmonters, heavier and more experienced to the man, to go through, around and over the hapless Jeffersons to ring up eight touchdowns and only in the fourth period when Glen Brick Johnson played an entire team of sophs did the Highlanders fail to score.

"We scored a moral victory," said Coach Louis Tsoutsouvas, in discussing the game. "Our boys aren't discouraged and we intend to give the Modesto team a stiff battle, October 4, on their own gridiron."

Friday's game brought out several important facts about the Indians. Henry McGrath, a freshman and sub, will no longer be warming the bench, for he played such a good defense game and showed up as an ace runner. From now on, fans can expect to see McGrath out with the first string.

Bill Rigler, line captain, and Bob Capps, backfield captain, both looked good in their defense plays, Friday. Through Capp's quick wits and sharp passing Jeff scored its only touchdown.

In the early part of the third quarter, two substitutes made themselves a name as "tough gridders" when they got the team within scoring distance as Ferrando threw a 30-yard pass to Huerta. Capps seized the opportunity to hurl a pass to Demartini who made the score for Jeff:

The line-up for Jeff was:

C. Bill Rigler	150
RG John Cacciapaglia	170
LG Bill Lekoff	150
RT Don Hertz	185
LT Jack Faulk	185
RE Herb Poddig	205
LE Dyer	150
Q. Bob Capps	180
LH John Razzari	160
RH Les Demartini	155
F. Dick Ruppert	185

Other boys who played in Friday's game included: Howard Vierra, John Shauer, Frank Pensonoe, George DeBono, Bill Redding, Ray Frates, John Tatone, Joe Becker, John Andriolla, Manuel Huerta, Harlan Ferrando and Henry McGrath.

Juniors Take Tumble In Sunday's Game

Daly City Juniors took a tumble Sunday when the San Francisco Flower Growers beat them 4-2. Four walks and one hit in the second inning proved too much for the local team.

Moreno of the Flower Growers held the Juniors hitless for five innings. Christen, Daly City hurler, allowed only 3 hits in five innings.

Daly City Merchants Defeated In 2-1 Game

Daly City Merchants tasted defeat at the hands of the American Meat company, Sunday, on the Jefferson diamond. Score: 2-1.

Colma Merchants Lose To Potrero Team

Colma Merchants failed to snap out of a losing streak when they met the Potrero Merchants Sunday on the Jefferson diamond. Score 1-0 in favor of Potrero.

An error by Massini in left field let the scoring run come in during the seventh inning. Gianni, moundsman for Colma, pitched shutout ball but had too many errors behind him.

9:30 Division League Starts Off

Following the procedure of other leagues opening their season at Burlingame Bowl last Tuesday night, 9:30 Division of the Merchants' League started off with only one team able to win three games.

Fisher's Boys, by that means, automatically took over first place for at least a week. The team rolled a 770 game and 2271 series to top the division. Garibaldi of Universal Press, the team that lost to Fisher's, rolled a 196 game and 541 series to take individual honors.

Milo's Butchers and California Linen tied in their second game, each with 701 pins, and Milo's won the rolloff. Contestants were so close all the way through that games of nearly every team were decided in the last frame.

Jaysee Students Plan All-College Picnic

San Mateo junior college is hoping for good weather on Friday.

If the weather bureau comes through with a nice day, the jaysee will hold its all-college picnic at Searsville. An extensive program and early afternoon luncheon have been planned for students and faculty.

A barn dance in the college gym will wind up the day's events.

Advertisers Live in

GLASS HOUSES

WHAT they promise in their advertisements, and what they deliver in their merchandise, are right there for all to see.

If they deliver what they promise, they make friends and steady customers. If not they make enemies, lose patronage and finally go out of business.

Those are the cold, hard reasons why honesty is the best policy—especially in advertising.

But the real fact is that advertisers as a class are humanly jealous of their good names. The trade-marks of manufacturers and the published recommendations of merchants are only accorded to products which they can offer you with confidence and pride.

You can trust the ads to lead you to sound values.

Sea Scouts Take To Roller Skates

Daly City Sea Scouts, Ship No. 1, deserted the rolling main last Saturday evening long enough to take their girl friends roller skating. Six couples enjoyed an evening's fun at Peninsula Beach, near Burlingame, with refreshments following. Accompanying them was their skipper, Mel Hanson, and the mate, Aldo Alberigi.

Sea Scouts at present are engaged in remodeling their 41-foot motor boat, "The Falcon," which is in dry dock. With a new engine in her, she will be ready to sail from Gashouse Cove within the next few weeks. Sea Scouts expect to take one or two cruises a month on her when repairs are completed.

Raising funds to pay for the repairs, the Mothers auxiliary will sponsor a drawing at the Daly City theatre on Thursday, October 3. Tickets will be available at the door. Grand prize will be a five-tube push button radio. The drawing will be at 8:30 p. m.

Sea Scouts are boys of 15 years or older who have completed their Scout work and are interested in nautical subjects. Although the charter will be closed within the next month, there are still openings until then for boys who wish to join. Any boy of 15 or more who is interested in sailing should contact Mel Hanson at 401 San Diego avenue.

Republican Central Committee Meets

Thomas H. Kuchel was named chairman of the Republican State Central committee at 2 a. m. Saturday in Sacramento. The thirty-year-old Anaheim attorney has already served two terms in the assembly and was elected State Senator from Orange county.

Opposing Kuchel for the chairmanship was Leo Anderson, Los Angeles attorney who has been chairman of the Los Angeles County Republican committee for the past four years.

Anderson had the support of a majority of Southern California members of the legislature, while Kuchel drew the bulk of his strength from the north.

The vote for the delegates stood at 289 for Kuchel and 241 for Anderson at the close of the roll call. Anderson moved to make the election of Kuchel unanimous in the interest of Republican party harmony in California.

Arthur Dunn of San Francisco was elected vice chairman; Willis Sargent of Los Angeles, secretary; Glenn Baker, assistant secretary; Harding McGuire, treasurer; Carlisle Layton, assistant treasurer.

Representing San Mateo county at the central committee election was William Paanat, San Carlos; Ed Cosgriff, Burlingame; Glenn Baker, San Bruno; and Joseph Sarto, Daly City.

Clifton Fadiman To Speak, Oct. 3

For opening speaker on his Cosmopolitan Attractions lecture series Paul Posz will present Clifton Fadiman, internationally known literary critic and popular master of ceremonies of radio's "Information Please," at Memorial Opera House in San Francisco next Thursday night, October 3, at 8:30 p. m. His subject will be "Inside Radio."

Long before the witty and amazingly successful "Information Please" swept him into universal fame Fadiman was widely known in literary circles, first as editor in chief of the publishing house of Simon and Schuster and presently as the New Yorker's literary editor.

To the salty waggery of Clifton Fadiman is attributed more than to any one factor the astonishing success of the quiz radio program of which he is master of ceremonies and to which some 8,000,000 Americans listen every Tuesday night. This clever and sometimes caustic wit will be found in full measure in his lectures. Tickets for which are on sale at Sherman, Clay box office.

The budget of $200 for the year was read and approved and the program for the year distributed. Mrs. Allene LeHigh, unit vice-president and program chairman, thanked Miss Marjorie Robinson and her students for their work in compiling the programs.

A piano solo by Eugene McClain, Jefferson student, and the serving of refreshments concluded the meeting.
